#### **China**

One of our team was approached spontaneously in China by a pastor at a meeting where he was speaking. The pastor said how thrilled he was that the team member had mentioned the name of Ye Guang Ming (Derek Prince in Chinese) as the people in his church had been fed on his teaching over the years. We praise the Lord for times when we see what Derek's teaching has done for believers in China.

#### **Croatia**

Derek's teaching is bringing light into the lives of many believers from traditional churches, liberating them from dead traditions and leading them into a personal relationship with God through Jesus Christ.

- Melita, a Roman Catholic believer, called me recently to say she had heard about Derek's teachings. She was complaining about a situation in her family and the evil things happening to them. She wanted to know more about curses, demons and many other things. I introduced her to Derek's teachings on these topics and his prayers for these issues.
- Marko from Slavonski Brod, also a Roman Catholic believer, heard from a Roman Catholic priest about Derek's teachings. He called me and asked what books I would recommend to him. After he read them, he called back and told me how much they blessed his life. He promised to buy more books to give to his friends.

#### **Czech Republic**

- More youth are coming to Christ and being baptized. Two young people suffering with damaged nerves are recovering. One had a blood blockage to the brain for more than 20 minutes and was in a vegetative state at first. Doctors said only a miracle would help. Now, six months later, he walks, speaks and is able to type some on his phone!

My spiritual life is growing, I became closer to the Lord, and new things are revealed. I am learning to walk before God in reverence. I am very grateful to the Lord and all the people who recorded his preaching and made these sermons available.”*

## **Hungary**

## **India**

- We ministered recently to many hundreds of pastors among the persecuted churches in India and Sri Lanka and were received with great joy. The pastors said, *“Not many ministries want to come here and minister to us.”* We gave them books, including *Life-Changing Spiritual Power*, as well as SD cards containing 30 of Derek’s most significant teaching in Tamil (SE Sri Lanka) and Hindi (Bihar and Jharkhand, India).
- We received this testimony from a prisoner in Tamil Nadu named Arul.  
*“Through my friends, I received four books written by Derek Prince in Tamil: Spiritual Warfare, How to Pass from Curse to Blessing, The Divine Exchange and The Holy Spirit in You. They were very useful to many of us here. In a place where not everyone can enter and do ministry freely, God has used books to bring salvation and spiritual growth, and Derek Prince’s books are among those. Please send me more books. They will be read by many and not be laid to rest.”*

We sent this prisoner a complete set of books available in Tamil and offered more copies of the *Self-Study Bible Course* if more of the inmates want to study the Bible.

- At December’s annual DPM Orphans Christmas Party, we reached about 800 orphans and poor children with the Gospel. Praise the Lord for the many who committed their lives to Christ.

We received this testimony from a pastor:

*“After receiving copies of Derek’s book, Husbands and Fathers, we decided to study the book as a men’s group. We also decided to focus on restoring the family during the month of October in the main service. Many of the men have been restored to the position of priest, prophet and king in the family. Once I asked a man: ‘What do you think about the book?’ He answered: ‘Now I understand!’ (He is a man of few words!) The book has been a real blessing for the whole church.”*

### **New Zealand**

We receive this testimony from a regional prison chaplain:

*"I have been an enthusiastic supporter and follower of Derek Prince for at least 10 years and have arranged previously with your office for resources to be sent to prison chaplains. These resources have been gladly received and positively used. We are essentially in the hope and encouragement business, and Derek's books often fall within those categories. There are a wide range of titles by Derek Prince that are suited to this environment. Of particular value are those linked to Bible study courses, grief, life questions, prayer, faith, hope, and encouragement. We have actively used DPM resources as a basis for Bible studies and found them to be most useful. In prison ministry, it is often difficult to say one specific thing made a difference in prisoners transforming their own lives. However, DPM resources certainly contribute hugely to the transformative effect of beginning a faith journey."*

### **Norway**

Eight of Derek's books have now been successfully translated and printed in Sweden, as well as 12 Proclamation cards. These have all been produced within two years. Praise the Lord!

- The TV station, Elev8 TV, has requested all of our English programs as well as the Swahili, Portuguese and French DVDs. The station manager listened to Derek's audio cassettes years

ago in Zimbabwe and was very impressed with his teaching. He now wants Derek's legacy passed on to the next generation.

#### **Sri Lanka**

While we (Elsie and Danny, DPM-India Directors) were ministering in Sri Lanka last September, we heard many reports of people being blessed by the TV program we had just produced using Derek's teaching in Tamil. After watching, many people called Sam and Olivia (DPM-Sri Lanka Coordinators) requesting prayer. The India office also prayed for these needs. As a result, there were many testimonies of healings and blessings!

#### **Tanzania**

There has been continued distribution of Swahili books to Arusha.

#### **Vietnam**

We praise God for the very successful leadership training conference held late last year for 90 pastors and key church leaders in Ho Chi Minh City. Everyone was very pleased to receive copies of Derek's books and Proclamation Cards in their own language for the very first time!

#### **Zambia**

The pastors who received the Mega Voice solar players are so impressed with Derek's teaching they requested to translate it into a number of other Zambian languages.

#### **Zimbabwe**

We have the possibility of printing *Life-Changing Spiritual Power* in Zimbabwe in 2018. This would be such an encouragement to the Zimbabwean people. We are trusting that some of the books will also be made available to the Lemba Jewish believers.
