Worldwide Prayer Focus

MARCH 2018

“But for those who fear You, You have raised a banner... Save us and help us with Your right hand, that those You love may be delivered.”

Psalm 60:4

March 1—INTERNATIONAL

Pray for the directors, staff and outreach workers at nearly 50 DPM bases to walk in God’s blessings—good health, strength, favor, wisdom, provision, anointing and protection. A number of staff, co-workers, and family members in different nations are battling cancer. Pray regularly for DPM worldwide to be a “cancer-free zone” and protected by the Lord. (A listing of DPM offices and directors is on our website.)

March 2—AUSTRALIA

Graeme Hunter, DPM Indigenous Outreach Coordinator, shared this report: *“At the Yamba gathering in January, we reconnected with a young Aboriginal pastor who has a Church in Sydney. He asked if we could minister healing and deliverance to his congregation in early March. Pray that the Holy Spirit will minister to them in a powerful way.”* Thank you for praying for this time of ministry.

March 3—IRAN

- Pray for safe travel for Iranian underground church leaders who leave their country to take part in DPM’s school for training pastors and leaders and for protection over DPM contacts inside Iran.

Pray for wisdom for the China team in sharing Derek's materials online in China. Although China is the second biggest economy in the world, its copyright culture is more like "the right to copy." While it is fine for material to be distributed within China by DPM or others, wisdom is needed to know the limits regarding "stolen" material.

March 27—EAST AFRICA

Translation is underway on *Shaping History through Prayer and Fasting* into Swahili, Kirundi (Burundi) and Kinyarwanda (Rwanda). Pray that making this book available in the key languages of East Africa (including English) will help begin a process of transformation in these nations.

DEREK PRINCE MINISTRIES

Praise and Thanksgiving

MARCH/APRIL 2018

“Rejoice always, pray without ceasing, in everything give thanks; for this is the will of God in Christ Jesus for you.”
1 Thess. 5:16–18

Albania

- We are grateful for the good work done on our books by our translators and editors.
- We also thank God for the relationship between DPM–Albania and Albanian church leaders.

Australia

“During the first week of January each year, a large gathering of Indigenous people is held on the north coast of New South Wales. We camped at “The Mission” with our Aboriginal brothers and sisters, their children and grandchildren. We had great fellowship, reconnected with old friends and met new ones. As usual, Derek’s teachings were gratefully received, and books, Proclamation Cards and USB sticks (30 teachings), are spread further throughout Queensland and New South Wales. The presence of God was tangible in the meetings, and the Holy Spirit moved in power to heal and set the captives free. All praise and glory to God!”
—Graeme and Veronica Hunter, DPM Indigenous Outreach Coordinators

Botswana

While visiting her son at university in Pretoria, a lady came to the South Africa office to get Mega Voice players with Derek’s teaching and Tswana Foundations teaching DVDs to take to Botswana pastors, hospital workers, a Baptist church library and the lady who worked for DPM years ago who is doing the final edit of a Tswana title. It was a divine appointment for her to come and deliver material for us!

Bulgaria

Our team wants to thank faithful prayer supporters all over the world for interceding for our 2017 publishing projects. All books printed and distributed have had a great impact, especially on young people. Some Bible schools even included them in their curriculums. We thank God for His faithfulness.

Cambodia

An outreach was held in December by local churches and ministries for 5,000 people. Ministry partner, One-2-One, provided medical care for 250 government officers and school teachers. DPM Director Huy Ly spoke. and DPM gave Derek’s books to the provincial Governor and Proclamation Cards to all attendees. Material will also be given to pastors to disciple those who were saved during this outreach.

Canada

We thank God for His guidance and goodness last year. Our income increased approximately 5 percent!

China

The China team is thankful for new opportunities to share Derek’s teaching due to fast advances in technology, in which China leads the world! We now have ways to link with individuals and help them grow in the Lord that would be more difficult without the technology. Truly, *“all things work together for good for those that love God.”*

East Africa

We are thankful for open doors to prisons and refugee camps! We tentatively approached this area of work, but chaplains and pastors have been so delighted they have been contacting other chaplain friends. Now, we are being welcomed with open arms!

India

Late last year, Directors Elsie and Danny had the opportunity to minister in West Bengal to more than 200 pastors, leaders and elders from churches in surrounding rural areas. Derek's teaching and material was gladly accepted as these leaders do not have a deep knowledge of God's Word. They received *Life-Changing Spiritual Power* in Bengali and also the *Self-Study Bible Course* to use to train their people.

Indonesia

More doors are opening for Derek's material, and many of these are far from civilization. Last November, DPM Director, Marcel, visited Maluku Province in the east and central Kalimantan (Borneo), teaching and ministering from *How to Pass from Curse to Blessing*. Many people were set free from curses over their lives. He has now been asked to hold another seminar for pastors, leaders and youth in both places.

Japan (testimonies)

- *I really enjoy listening to Derek's messages. As a housewife, I'm quite busy every day, but his two-minute devotional messages give me energy for my spirit and my health.*
- *I love Derek's two minutes messages. I've been taking care of my mother-in-law, who is 92 years old, for many years and sometimes I feel difficulty because of her words, etc. When I listen to Derek's messages, they give me joy, and I can feel God's love.*

Madagascar (testimony)

The Campus Ministry in Mahajanga, Madagascar, is very thankful for the resources you have given us. Bless you and your ministries. —Lova

Malaysia

We praise God for good sales of Derek's CDs. Although people can listen to his messages online, many prefer to buy the CDs so they can listen to them in their cars while stuck in traffic jams!

Malawi (testimonies)

"Thank you for the amazing gift of the Word you have given to Iris Africa Ministries. The Mega Voice players are a good tool and will help us teach at our Harvest Bible College. I gave one set of DVDs and a player to the college, and the other set will be used for teaching and evangelism. Most of our church members are women and children, and most of them, as well as older men who are church leaders, cannot read well. Such tools will be a help. We will reach out to more people as we use these tools. Thank you very much."

—Timothy Makwalo, Director of Ministries/Operations

"I received word from Brother Chinsombah that the package has arrived and been collected from YWAM in Blantyre. He expressed his excitement and appreciation, and his sincere commitment to use the resources to spread the good news through these tools that share the teaching of Derek Prince. I look forward to hearing from him about the impact of these resources on the lives of those in the ministry he serves. I thank you for your part in this. I pray for even greater blessing for you, your family, and for DPM in South Africa."

—Dee Morales-Cortes, Tasmania (reaches out to pastors in Malawi)

Mongolia

- The 30 core audio/video teachings by Derek (30x13 Project) are used well among Christians in Mongolia, including among churches for their discipleship curriculum.
- There were 16,000 views on YouTube for just one of these Mongolian teachings.
- The book, *You Matter to God*, is very popular and widely valued, and it is touching many lives.

Nepal (testimony)

Thank you for sending Derek's books to our church. I have been able to give some to other pastors. They are so happy to have them because of the few materials available in our area. Most of the leaders think that having the Bible and a hymn book are enough. But when they read Derek's books they realize they are a very valuable resource to provide spiritual nourishment to believers. I have been able to conduct classes on the Self-Study Bible Course. I don't know how to thank you. As soon as you print new books, kindly do not forget to send to us.

Netherlands

- The new Dutch book, *Be Perfect, But How?* has been very well received! It is also being used in our online Daily Devotionals plan and received well there also!
- Another 105 participants have embarked on the third run of our online course, "Living with the Holy Spirit," based on the books, *Who is the Holy Spirit?* and *Baptism in the Holy Spirit*.
- We changed our telephone policy by ending every incoming call with a brief prayer to bless and encourage people in whatever way they need the Lord's strength. This has been very successful.

Philippines

- A meeting was held in Manila last December for 2,000 pastors from all over the Philippines. We sold a good number of Derek's books (and gave some away) and also freely distributed Proclamation Cards and 1,500 Teaching Letters, which were very well received.
- Derek's books were also freely distributed:
 - at a pastors' promotional day in a provincial city Christian bookstore (200 copies).
 - at a prison and rehabilitation center (50 copies at each) for their Bible study groups.

Slovenia

Praise the Lord for an increasing hunger and demand for Derek's materials from Catholic believers as they search for truth and a deeper personal relationship with Christ.

Southern Africa

- The Portuguese *Self-Study Bible Course* will be printed and distributed across Mozambique and Angola this year.
- We have a new contact who is a librarian at the University of Kwa Zulu Natal and have sent Derek's teaching material for their library and youth ministry!
- Testimony: *The book Life-Changing Spiritual Power has in it the Self-Study Bible Course. Fantastic material! I teach a small group of teachers at an informal settlement called Mooiplaas. They take what is taught and the material used to groups they've formed within the community. This study material of Derek Prince is ideal for them. The book has a copyright, so I cannot use these studies. Do you perhaps have something similar I can use?* —Mrs. Denise Shrives

(DPM-SA gave permission for her to copy the lessons for this group, and Mrs. Shrives replied: "Oh, I'm so pleased. Thank you so much. I will definitely let you have feedback on the impact of the studies in the class.")

Swaziland

The Mega Voice player and SiSwati Foundations teaching DVD set were sent with one of our monthly DVD evening supporters who travels to Swaziland regularly. Her sister is involved in prison ministry so we will be sending her Derek's teaching for prison outreach.

Vietnam

We now have a brand new website! (www.dpmvietnam.org)

Zambia

Ricky is preparing to go back to Angola and Zambia, especially over the Zambesi to areas where missionaries do not normally go. A team of 45 in Zambia who attended his meetings last year answered a Macedonian call to travel 1500km, including by foot and pontoon, to go to villages in western Zambia not usually visited. The people were brought from sin to the new creation, baptized, delivered, and healed, and elders were appointed for four new churches!

Zimbabwe

We are grateful to Warren Smith, Director of the DPM-New Zealand office for making it possible for us to print 10,000 copies of *Life-Changing Spiritual Power* this year for distribution across Zimbabwe. This is the result of a special book project his office initiated.
